

## **Municipal Infrastructure Grant Program (MIGP)**

### Frequently Asked Questions

#### **What are some eligible MIGP project types?**

A wide variety of infrastructure projects are eligible for funding through the program. Scoring will be based on the established criteria listed in the RFP. A few project type examples include; sewer line extensions, stormwater management, complete street projects, affordable housing, and main street improvements.

#### **What is the maximum amount of funding that can be requested?**

Applicants may request up to \$750,000 in funding and awards are expected to range from \$150,000 - \$500,000. Exceptions may be made at the review committee's discretion.
